ALDER OUTDOOR

Monthly management report

September 2026

Executive summary

1 EBIT was €2.7m, €0.3m below budget and €0.2m above last year.

2 Marketing spent €0.3m more than budget on the autumn campaign. This is the whole budget miss.

3 Online revenue grew 28% on last year to €7.4m and carries the group's growth.

4 The Q4 forecast takes 2026 revenue to €234.6m. The range for December alone is €23.8m to €29.4m.

RESULTS

September revenue was €21.2m, 1% above budget. Gross margin met budget. Marketing ran 14% over budget, so EBIT missed by 10%. Year to date, EBIT is 12% above last year.

EXHIBIT 1

EBIT missed the September budget by €0.3m: marketing ran €0.3m over

REVENUE DRIVERS

The price-volume-mix bridge splits the Q3 growth by its causes. Boardplot computes the effects from units and revenue per category.

EXHIBIT 3

Q3 revenue grew €4.9m: volume added €3.2m and price €1.8m

Revenue bridge in €k · Q3 FY25 → Q3 FY26

Covers the 5 items in both periods; volume and mix at prior prices.

PROFIT

Revenue above budget added €150k, and a lower margin rate took the same amount back. The marketing overspend of €300k explains the whole gap to budget.

EXHIBIT 4

Higher revenue made up for the lower margin rate; the marketing overspend is the whole miss
